## Update alert

You are advised to install a [new BOS package](#) because BridgeTab's BUY & RENEW [licence] button will require the new build from **February 10** onwards.

Note that there is a switch in the new BOS's Preferences menu making it possible to run BridgeTab 2 or 3. You should select and stay on BridgeTab 2 until v. 3 is published.

The BridgeTab 3 **app** is available along with BridgeTab 2 at Google Play store. You can use the QR code below if you want to try the new build. We recommend that you stay in Dummy mode.

You should know that licences for BridgeTab 2 will not work with BridgeTab 3 or vice versa. It is two separate products.
